WHAT IT WILL COST TO ELECT ANDOR C. W. precedent, set a house on fire whenever trade and travel. Wherever the press of the CONTEST IS BETWEEN CHEATHAN AND MAYNARD. they wanted to roast a pig. For ages Louisville, St. Louis, and New Orleans this custom was continued, but at last the expense and terror of the conflagrations became so grievous that one of those greatspirits which are born of the extension of his business. Why, then, do not merchants of a city gested that pig might be roasted without settling might be roasted without settling might be roasted. Some statement of the extension of the promote the circulation of the newspapers of their city?

AND MAYNARD.

The only question is will Johnson is almost a vote for Maynard. Every vote give Johnson is almost a vote for Maynard. Every vote give Johnson is almost a vote for Maynard. Every vote give Johnson is almost a vote for Maynard. Every vote give Johnson is almost a vote for Maynard. Every vote give Johnson is almost a vote for Maynard. Every vote give Johnson is almost a vote for Maynard. Every vote give Johnson is almost a vote for Maynard. Every vote give Johnson is almost a vote for Maynard. Every vote give Johnson is almost a vote for Maynard. Every vote give Johnson is almost a vote for Maynard. Every vote give Johnson is almost a vote for Maynard. Every vote give Johnson is almost a vote for Maynard. Every vote give Johnson is almost a vote for Maynard. Every vote for an extension of his business.

Why, then, do not merchants of a city feel to promote the circulation of the sale of the votes for a cambinate opposing the feel to promote the circulation of the sale of the votes for a cambinate opposing the feel to promote the circulation of the votes for maynard. Every vote for Maynard. Every votes to elset Maynard newspapers of their city? without setting a house on fire At the first outset there was a THE New York Evening Past, since it ask prodigious murmur at the innovation. and it was said that the necessity of setting a house on fire for a dish of pork was a salutary check to any excess of pig; but the great bulk of the people, pig; but the great bulk of the people. who could not afford to burn down rebels for their slaves, in case of his elec-

THE New York Evening Post, since it ask why it became an organ of Grant, becomes also of Grantin it their houses once a month, and who sufventure the assertion that there is not a fered from the alarm and tumult of freman connected with the Post who does I quent conflagrations, supported the reform proposed by the sage, and pigs not know the charge that Mr. Greeley were thenceforth roasted by fires brought contemplates the indemnification of were thenceforth roasted by fires brought contemplates the indemnification or within the limits of grates, and under control. The men who propose to supcontrol. The men who propose to sup- to be utterly false. Since the North was ville int port Andrew Johnson are of that class especially gratified by the liberation of and elsewhere who would roast pork by the ruins of slaves, sold by the North to the South their own burning houses. They are under the operation of prospective emanfond of pork; they want Andrew John-cipation acts, it would be very just for son in office again, and to secure these venders to refund the gold received By Southern Inventors-For the Week their object they propose to destroy party organization, and to known and read enough of slavery, and stroy party organization, and to burn down all the appliances by which Andrew Johnson ascended to power. There are thousands of citizens in Tennessee who will never weary in voting for Andrew Johnson, but in the present they do not propose to do so at the expense of destroying the party to which they belong. Defeat Cheatham for Congress and the opposition party to Radicalism in Tennessee is as worthless and valueless as the askes of the Chinese houses consumed in roasting pig. The State of Tennessee will again pass into the hands of the Radical theires. There will be made of the Radical theires. There will be a multipliefty of candidates from the hands of the Radical threes. There will be a multipliefty of candidates from the Logislature, Governor, Congress and the Legislature, Governor, Congress and the Congre burn down all the appliances by which representing, as does the APPEAL, an exand the Radicals, being organized, will

ple do not have a surfeit of newspaper

consolidate their vote on a single candi date and thus triumph in all future A special train will be sent by the A special train will be sent by the Louisville exposition managers to convey Horace Greeley from Cincinnati to Saturday evening and spend Sunday in the city. It would be well if Mr. Greeley may be induced to visit Memphis next Tuesday or Wednesday, and the Executive Committee of the Greeley clubs will adopt measures to induce him clubs will be charged full trades. PRICES OF ADMISSION:

LADIES TRIMMED HATS

Stories of the will be charged full trades. PRICES OF ADMISSION:

Stories of the will be charged full trades. PRICES elections. Can Andrew Johnson securany good in Congress commensurate with this great evil? Surely not. Instead of being able to serve the people of Tennessee in Congress Andrew Johnson would be powerless for good. There is strong probability that Grant will be re-elected President and that he will still retain a Radical majority in Congress Grant and the Radical party hate Johnson with an unappeaseable maliguity With Grant as President and a Radica Congress at his back, what could Andrew Johnson do for the people of Tenin Illinois and Buckalew in Pennsylvania, and it occurs to us that Mr. Gree-ley can serve the party most by appear-ing and speaking in Arkansas and Mis-sissippi. Memphis is a metropolis of nessee? What measure could be pass through Congress? What favor could be secure through the cabinet or any one of the departments? Johnson was paralized as President because he these two States rather than of Tennes- liam J. West, Greenville, South Carolina 188UE OF AUGUST 20, 1872. was hated. How can he serve the peonle as member of Congress when he was nowerless as President of the United Mr. Greeley if he visit this city. States? As President Johnson protester

against Congressional usurpation and tyranuy; could be speak more eloquently or boldly or efficiently and successfully against despotism in the Congress of the United States? No one will believe it. Then, why vote for him at the expense of destroying the Democratic organization and restoring the Radicals

nent as to leave him no hope of success.

The people flock to hear him, and he important of the people flock to hear him and he important of the people flock to hear him and he important of the people flock to hear him and he important of the people flock to hear him and he important of the people flock to hear him and he important of the people flock to hear him and he important of the people flock to hear him and he important of the people flock to hear him and he important of the people flock to hear him and he important of the people flock to hear him and he important of the people flock to hear him and he important of the people flock to hear him and he important of the people flock to hear him and he im presses them as no man has been able to Bi to power in Tennessee? Tennessee needs peace. Political excitement has in many years. There is no room to doubt the triumphant election of Mr. Do greatly retarded her prosperity during Haynes, and the utter defeat of all the the past three years, and we cannot af-

ford to send a man to Congress who may do nought but arouse passions tha or the South? Could we hope for a favorable consideration of any measure esential to our prosperity? He would

have no influence whatever in Congress, WE were shown a letter yesterday, and would but serve to arouse and array written by a gentleman residing in Jack- St. Joseph, Missouri. 120,780- Washing Machine; George Wright against us prejudices which it is our inson, who says that after the delivery of terest not to excite. To send such a man leneral Quarles's speech in that town to such a position would be to trifle with the momentous interests of the State and on Monday, "What little Johnson stock there was in the market went down her people. Then, why have roast pigto five cents on the dollar." This in- The Question from a Southern Standwhy elect him at the expense of burndicates a rapid and no doubt permanent ing down our party organization, and giving the State of Tennessee over to change in public sentiment in Madison the control of the stealers of the school county.

In Germantown, where a short while ince Andy Johnson might have re-THE Clarksville Tobacco Leaf is pourceived a majority, the tables have been ing hot shot into the murderer of Mrs. completely turned, and almost everysurratt.
